Very important remark: The CAT equipment prefix (first three figures and numbers in serial number) is absolutely necessary information for

correct engine identification. But your additional information (full serial number ...

Bought a used Cat excavator with no manual

Bought a used Cat excavator with no manual Most of the machine is straightforward enough, but there are two buttons whose function I cannot fathom. This is the first one; it's a toggle on the console that doesn't do anything obvious on either setting.
