Happiness (and misery) is a stick

They say that absolute power corrupts absolutely, and that must be why Ford chose to provide manual-transmission-oriented Milan customers with a 2.5-liter, 173-horsepower Duratec for model years 2010 and '11. This mighty mill was joined to a six-speed manual transmission, an innovation which had only recently appeared in the 1992 Dodge Viper ...

Mercury Milan

The four-cylinder engine was equipped with a five-speed manual transmission as standard (the first manual-

transmission Mercury sedan since the 2000 Mystique), with a five-speed automatic as an option. Through its entire production, the V6 was offered solely with a 6-speed automatic transmission (shared with the Fusion and Montego).
