Manual and Tutorials

TomTom Navigator is very flexible. If you take a different turn from the one TomTom Navigator proposes (whether by mistake or on purpose), TomTom Navigator will adjust almost instantly to the new situation. It will keep guiding you to your destination from your current position as fast as it can calculate. Chapter 3 Points of interest

TomTom User Manual

In rare cases, your TomTom device may not start correctly or may stop responding to your taps. First, check that the battery is charged. To charge the battery, connect your TomTom device to the car charger. It can take 3 - 5 hours to fully charge the battery depending on the type of device. If this does not solve the problem, you can reset the ...

TomTom VIA User Manual

This User Manual explains all you need to know about your new TomTom VIA. To learn about getting started with your device and installing it in your vehicle, we recommend that you read the Get going chapter. After that,

you will probably want to connect to TomTom services and you can read all about that in the Connecting to TomTom services chapter.
